

Roll-Off Driver

COMPANY INFORMATION:

Get in the driver's seat with a fast-paced career with ACME Roll-Off Company. As a family-owned industry leader, ACME offers competitive pay, benefits and career advancement opportunities.

Roll-Off drivers are responsible for servicing customers with the hauling of waste or construction debris to a disposal site. Drivers will deliver, remove and haul roll-off containers to/from customer's sites. This position may require driving in congested and/or confined areas. This position will be required to enter/exit the truck several times per day. Drivers may also be required to climb to hook/unhook containers, move items to smooth the load and to secure tarps. Roll-Off drivers are exposed to extreme weather conditions. The hours and physical demand may vary by route or area. We are dedicated to providing prompt, professional and reliable service.

RESPONSIBILITIES:

- Perform daily pre-trip and post-trip inspections; complete and submit driver inspection reports at end of each shift.
- Provide prompt and courteous roll-off delivery and removal services to commercial and residential customers.
- Drive roll-off truck in accordance with all local, state and federal regulations and company guidelines.
- Proper tarping of containers to prevent loss of contents inside during transport. May be required to manually tarp containers on occasion.
- Maintain, update and complete driver log sheets to be turned in at the end of each shift.
- Using excellent customer service skills; establishes and maintains effective working relationships with other employees, officials and all members of the general public.

REQUIREMENTS:

- Valid Class B/CDL combination with Air Break Endorsement. Class A preferred.
- Must pass a pre-employment DOT drug screening.
- Must pass the post-employment DOT physical.
- Must obtain a current DOT medical card.
- Must be insurable at all times with company's current insurance carrier.
- Ability to perform physical requirements of the job (including but not limited to; sitting, lifting and pushing up to 50lbs., pulling, reaching, climbing, twisting, crouching, stooping, crawling, kneeling and scraping). Some laboring is required.
- Possess general knowledge of the mechanics of trucks to do minor vehicle maintenance.
- Ability to plan out routes to ensure traveling the most time efficient way
- Ability to work overtime, weekends and/or holidays
- Ability to work in all weather conditions.

WORKING CONDITIONS:

- Exposure to extreme weather conditions
- Exposure to high traffic conditions
- Exposure to tight driving areas

This job description is intended to describe the general nature, complexity and level of work to be performed by employees assigned to this position, and is not to be construed as an exhaustive list of responsibilities, duties and/or skills required. It does not prescribe or restrict the work that may be assigned. Furthermore, this does not establish a contract for employment and is subject to change at the discretion of the company.
